TESTIMONY

Thank you for coming to the hospital and visiting our patients. They loved having you as you no doubt noticed. Everyone loves clowns and the children are still talking about the light bulb. We sincerely thank you for your thoughtfulness.

Recently I discovered that a friend's brother-in-law had a brain tumor. I told her that I would put him on the prayer list at The Foundation Faith of God. Two weeks later when I spoke with her she reported that Sam B. was much better and had even been gaining weight! He is scheduled for surgery, if it is still necessary. Praise God, and thank you all of you for your prayers.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

NEWSBRIEFS

EASTER CELEBRATION

Easter is that very special time of year when we celebrate Christ's conquest of death. In our own way each of us battles the 'final enemy,' for death manifests as any form of negativity—physical, mental, spiritual—that separates us from God. With Christ in our hearts, His victory becomes our's, and we, too, can overcome. We wish all of you a most blessed Easter and invite you to attend our special Easter Celebration at 1PM, April 3rd.

". . . Why do you look for the living among the dead? He is not here; He is risen . . ."

NEWS FROM GHANA

Members of the congregation of The Foundation Faith of God at harvest time in Sefwi-Tanoso, Ghana. Rev. Daniel Ayebiahwe, pastor, is at extreme right.

Praise the Lord, He has added another church in Ghana, not far from the existing congregation in Sefwi-Tanoso in a town called Penakrom. The new congregation, with around fifty members, was started by members in Sefwi-Tanoso led by pastor, Rev. Daniel Ayebiahwe. Church secretary, John Afrishia, asks our prayers for the new congregation and reports that two people with severe mental illness were healed by the Lord. Praise Him.

MINISTRY TO SICK CHILDREN

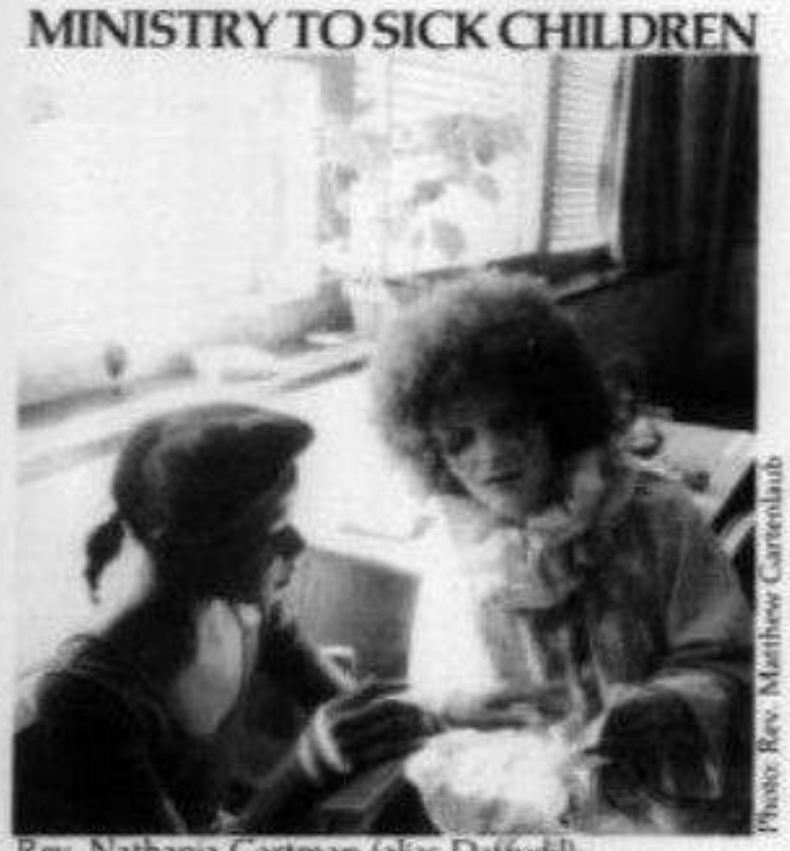

Photo: Rev. Matthew Gartenlaub

Rev. Nathania Gartman (alias Daffydil) demonstrates the intricacies of clowning to a fascinated youngster.

The clowns continue their valuable work with seriously and terminally ill children. Many shy and withdrawn children are responding to Daffydil and Lilac (alias Revs. Nathania Gartman and Grace Michaels). A patient with a far more serious problem, Bobby, a 17 year old with a cogenital immunity deficiency, went into a coma about a year ago. When the clowns visited him and sang some songs he opened his eyes for the first time in a long while, and on the next visit he kept his eyes open even longer and began responding to the music. Praise the Lord.

BIRMINGHAM OUTREACH

At press time our Birmingham outreach is under way including a clown visit to Children's Hospital. We have great pleasure in publishing the letter of thanks we received from the Play Therapy staff for Revs. Grace Michaels' and Matthew Gartenlaub's February visit in our testimony column overleaf.

PET THERAPY

Last month Rev. Caillin Elliott and his beautiful Afghanhound, Benson, visited a nursing home for the elderly under the auspices of Marti Wilson, a Delta Airlines Flight Attendant, who has initiated a large visiting program in the Atlanta area, and works in conjunction with the Humane Society. This type of program, generally known as Pet Therapy, has had marked healing effects for many lonely, institutionalized people. We are indebted to Marti Wilson, and are currently assessing our own deeper involvement in this type of program for the immediate future. Praise God for the love His creatures channel.

ANIMAL ACTION

April 24th is World Day for Laboratory Animals. Our Sunday service will be devoted to animals, and we will also be taking part in a rally sponsored by Mobilization for Animals beginning at 1PM on the upper field at Candler Park, followed by a march to Emory University and a motorcade to Yerkes Primate Center. We urge as many of our readers as possible to be there. For further information about the rally please contact Jane Bass, Georgia Coordinator, at 399-6732.

Finally, a wonderful answer to prayer: the vicious annual hunt for baby seals in northeastern Canada has been called off this year. We can be sure that the seal hunters will not give up easily, but all of us who have worked so hard both in prayer and in action can take heart from another fact: seal pelts have, hitherto, been sold mainly in Western Europe, where the EEC have now voted a "voluntary ban" on sealskin imports and at the time of writing were discussing a mandatory ban. Prayers are needed that no new markets are found for the baby seal pelts, and that the hunting of adult seals also ends.

DID YOU KNOW?

Dr. Asher Kaufman of Hebrew University has recently produced strong evidence for the site of Solomon's Temple and the Second Temple being 330 feet north of the Dome of the Rock, the mosque that was previously thought to have been built on the Temple site. If his evidence is accepted it would greatly clear the way for the rebuilding of the Temple, which, many Christian scholars believe, is an event that is followed shortly by the Second Coming.
